From the Pastor's Desk:

Sister Clare Crockett might one day be a canonized saint. It's early to say, as her cause of canonization only opened this year. Still, what is known about her life has already become a source of inspiration and spiritual lessons, both for those who are in religious life and for all lay people who seek to live with authenticity, love, and dedication. This young woman reminds us that it's worth giving everything to serve the One who fills all in all. She chose to give herself completely to God, in everything she did, without giving up her joy; today she invites us to do the same, whatever our calling may be. *"Stop looking at all the things that make you sad and look at all the beautiful things you have around you. Always smile, even if it's hard!"*

Here are some of her key teachings to happily follow the call that God gives us.

THE POWER OF PERSONAL CONVERSION

Her conversion was radical: from being a young woman seeking fame in the world of show business, she went on to find the profound meaning of her existence in God. She had spent most of her life wanting to be the center of attention. After her conversion, however, she wanted to be humble. She wanted to abandon herself completely to the Lord and love him with all her being.

Tip: Don't be afraid to follow God's voice, and to do what He asks of you and what He calls you to; simply trust and open your arms to Him!

LIVE WITH JOY AND GRATITUDE IN THE PRESENT

Although Sr. Clare faced many difficulties, her life was marked by deep joy. This joy didn't depend on external circumstances, but on her relationship with God and her daily self-giving.

Tip: Find joy in every moment, even in difficulties, knowing that it's all part of God's loving plan. He never makes mistakes and always seeks our greater good.

BEING FAITHFUL IN SMALL THINGS

For Sr. Clare, serving God wasn't just about doing great things, but about being faithful in small everyday actions, as Jesus taught; the ones that often go unnoticed. She lived simply, dedicating every action to God, without seeking recognition. This approach teaches us that the joy of living God's call is not in seeking spectacular things, but in being faithful in what God has entrusted to us, no matter how small it may seem.

Tip: Be faithful in what God has entrusted to you today, in what you're called to do now, without expecting great rewards or recognition.

Due to the early printing of the Bulletin, we will report last week's collection in next week's bulletin.

Support Our Church

Simple. Secure. Convenient.

At the same time, our Parish will benefit from a reliable, more efficient and more convenient means to process the contributions that make it possible to support our mission. On this giving site, you will be able to select from the various opportunities to contribute to our parish and other initiatives. Keep in mind that all contributions are processed once a month. **Following is an overview of some of the features:** Make one-time or recurring contributions, Select your billing date, Credit Card or Bank Transfer, Access end of year contribution reports. Please go to www.churchofsaintrocco.org and connect to the link for Parish Giving.

CULTIVATING A PERSONAL RELATIONSHIP WITH GOD

Sr. Clare lived with a deep prayer life and personal contact with God. Her joy came from knowing that she was not alone, but that she was walking with God in her mission. For her, prayer wasn't just a moment of the day, but a constant attitude of communion with God. This closeness with God gave her peace and helped her to maintain her joy, even in difficult moments. She would say when praying: *"Lord, today you can ask me for everything."*

Tip: Devote time to your relationship with God through prayer, meditation, and worship. This will give you the strength and peace to live your vocation with joy.

Classroom News.. Ms. Nicole Beaumier.. PE Grades PK-5TH

Physical Education has been off to a great start. The students have really been putting forth their best efforts and working hard to perfect their skills.

PreK-Kindergarten students have been working on locomotor skills. Each class begins with a warm-up tag game which incorporates skipping, galloping and sliding as their movements. We have also been working on jumping and landing, hopping and balancing. The students have been working with hula hoops and learning the many ways to use them, such as jumping in and out, twisting and catching, rolling and catching, and of course, learning how to hula hoop. One of the activities we have really enjoyed is working on striking a balloon at a high, medium and low level, and also striking a balloon with a paddle. Finally, the students have been introduced to bouncing and catching using two hands and a larger bouncy ball. Some of them can even dribble.

Grades 1 and 2 also start with a warm-up tag game at the beginning of each class where they perform locomotor skills. After tag, we have a stretching routine and then the students perform 10 push ups and 10 sit ups. The students work very hard to be able to perform these skills correctly. Our focus in grades 1 and 2 has been rolling to a target, bouncing and catching, tossing underhand and throwing overhand to a target, dribbling and shooting a basketball. Jump rope, hula hoop and locomotor skills are also focused on at these grade levels, along with fine and gross motor skills.

Grades 3-5 have finished kickball, soccer, volleyball and basketball units, along with games focusing on throwing and catching, throwing to a target, and blocking and dodging. These classes begin with a 2 minute jog for a warm up followed by a stretching routine which consists of both static and dynamic stretching. After our stretch, the students perform 10 push ups and 10 sit ups. Each trimester the number of sit ups and push ups increases by 5. We will be participating in fitness in February. During the whole month of February, the students will work on various fitness challenges and set some fitness goals. The students are really putting forth their best efforts and are learning the importance of teamwork and sportsmanship.

We are having a lot of fun and I am looking forward to seeing all the progress the students will make throughout the year!
