***From the Pastor's Desk:***

November 11th is Veteran's Day. A day in which we remember and honor the service of those, dead and alive, who bore arms for their country. The armistice ending the First World War was signed on November 11th. The origins of this observance began in 1926 and became a civil holiday in 1938, called "Armistice Day." In the late 1940s, Americans began calling November 11th "Veterans Day," Congress officially gave it that name in 1954.

The main ceremonies of Veterans Day take place at Arlington National Cemetery. Traditionally, the president lays wreaths at the Tomb of the Unknown Soldier, a sarcophagus under constant watch by an honor guard since its dedication in 1921. Four unidentified American soldiers — from World Wars I and II, Korea, and Vietnam — are buried there.

As we continue to watch the ongoing wars in Palestine, Israel and Ukraine, we must commit more fervently to praying for our veterans and also for peace. We must also pray for all those serving in the military who put themselves in harm's way to protect our nation and our freedom. Let us pray for all veterans this weekend. The biographers of Padre Pio report that, in 1944, as he and his friars were sitting down to supper after the monastery gates were closed, they heard a crowd of men shouting, "Viva Padre Pio!" (Long live Father Pio!). But there was nobody in the courtyard. Asked about the event, Padre Pio calmly said: "Those men were soldiers who died in battle. They have just been delivered to heaven." They wanted to thank him for his prayers.

During this month of All Souls, one of the best ways we can honor Veterans this Veterans Day is to go to Mass and pray for them. This simple deed may be of greater practical help for veterans than all our speeches, parades, ceremonies, and flowers. For our living veterans, it should be a day of charity on which we thank a veteran for their service. Veterans Day is more than a day off or a long weekend. Let's help our veterans, especially those who gave their lives, by praying for the repose of their noble souls.

Prayer For Deceased Veterans

*"O God, by whose mercy the faithful departed find rest, look kindly on your departed veterans who gave their lives in the service of their country. Grant that through the passion, death, and resurrection of your Son, they may share in the joy of your heavenly kingdom and rejoice in you with your saints forever.  
Through Christ our Lord. Amen."*

A ROMAN CATHOLIC SCHOOL

### **Classroom News ~ Mrs. Lisa Ciunci Grade 4**

*The first couple of months in fourth grade at St. Rocco School have been bustling with activity! The students have settled in wonderfully and are working diligently across all subjects.*

*In English, they have crafted personal narratives about special memories, choosing topics such as a ride on the Tower of Terror, the first day of Fourth grade, days at amusement parks, birthday parties, new pets, visits to the science museum, beach outings, and trips to Florida. These narratives have allowed us*

*to focus on small moments and incorporate sensory details, making the stories engaging and immersive. Sharing these stories has fostered a sense of community and sparked a lot of laughter. Additionally, students wrote descriptive paragraphs about their unique pumpkin designs. This fun exercise involved a classmate attempting to illustrate the pumpkin based solely on the description, highlighting the importance of descriptive details in writing.*

*Our Reading curriculum is both exciting and challenging. We're exploring the question, "How can a place affect how we live?" through various literary works, including biographies, autobiographies, magazine articles, and informational texts. Students are developing their skills in making predictions, utilizing background knowledge, drawing inferences, and analyzing text structures.*

*In Science and Social Studies, students are expanding their knowledge by studying cells, plants, animals, habitats, maps, and geography. They've even created their own islands and are currently learning about Rhode Island.*

*In Math, we're focusing on computation, estimation, counting money, making change, problem-solving, and mastering multiplication facts. Students are enhancing their skills using Chromebooks for typing practice, math exercises, and reading comprehension, utilizing platforms like Typing Club, Nitro Type, Blooket, and Boddle, as well as Google Classroom and Google Docs.*

*Our Religion lessons emphasize the importance of thinking before acting and treating others as we wish to be treated. We've learned that God reveals Himself through Jesus and that we are called to show love and compassion to all, just as He did. Students understand that their faith can grow through prayer, and that the saints are always interceding for us.*

*New this year, the Fourth grade has had the privilege of working with students from Providence College every Tuesday in Math. These small group sessions have greatly enhanced our lessons, and both the college students and our fourth graders genuinely love this time together. Fourth grade is such an exciting year filled with bright, creative students. It is truly a blessing to witness their academic and spiritual growth!*
